Dearest 40+Editor,

I'm a woman that's recently come across your magazine. I never look at men's magazines, but when I saw 40+, I had to pick one up. Actually, I asked a guy friend to buy it since I was too embarrassed, just as I am writing this letter. But I know a lot of older men see this magazine, so I want to add my two bits.

Ever since I was around twenty, I've been attracted to older men. I know it was because of a college professor I had a crush on (never did anything about it). He was very smart and had a confidence about him. When I talked to him or listened to him talk to someone else, one-on-one, he was soft-spoken and considerate. A total departure from the male students. Then I got into the working world and looked at the men in the office. I'd imagine one of them whisking me away to some wonderful dinner or Broadway show (nope, never happened).

In my late twenties, still unmarried, I started fantasizing about an older man, like you, in his forties calling me up and inviting me over. We'd grab a bite to eat then head back to your place. You'd rub my shoulders and kiss my ear. Slowly we'd tease each other to the point of insanity and then the wild and earth shattering sex would begin. I'd stroke your cock until you begged me to let you cum, and then we'd fuck in every room of your house. The shower is my favorite place. I'd see myself lying there in your bed, dripping in anticipation, and when you're done with me, I'd be craving more and more.

Tell me guys, haven't you've had fantasies of some younger hottie ravage you? But in reality, I'd probably die from the thought that it may actually occur. Maybe one or two of you older guys out there may someday run across someone like me. When you do, I hope it's me.

— Faye, Boston

To the editor:

Two months ago I was in New Orleans for the Bayou Classic in November. My company was exhibiting a new medical imaging device that seemed to go over pretty well. After the show ended, I stayed on with Duncan and Carl since it was our first time, and it was my birthday, too. The two guys decided I needed to get laid since I was turning the big 4-0. At first I pleaded to just go see a magic show but Carl was insistent.

After I showered, the guys left the suite and told me to have a good time. Right at ten Nina shows up. After a moment of formalities, I offer her a drink and we sit on the sofa overlooking the city. She wore a short black spaghetti strap dress with sequined trim. Classy, yet sexy. She had long brunette hair, long legs and medium boobs not bound in a bra. As she sang me an abbreviated version of 'Happy Birthday,' I poured a couple glasses of champagne and she toasted me and I toasted her. Then she whispered in my ear, "My panties are wet. I want you to fuck me hard tonight. I'm going to make you feel good and you're going to make me feel good, too." I couldn't believe what I just heard. She got off the sofa and dropped to her knees and started to unzip my pants. All the while she did this, she looked up at me. The anticipation was too much. I almost creamed before the zipper was down. She looked back down and freed my cock.

She opened her deliciously full lips and stuck her tongue out guiding the head in. The in-

side of her mouth was warm and moist and I groaned. Little by little, she swallowed me down. Soon, it was completely down her throat. She used her tongue in ways I had not felt in years. Holding the back of her head, I began to slowly fuck her mouth. I knew I wasn't going to last long this way so I pulled myself out. "I want to lick you," I said.

Nina stood up and turned around for me to unzip her dress. She turns back around and her beautiful boobs were in a beautiful black lace push-up bra. Her dress fell off her and she stood there with matching g-string. She pulled me off the sofa and undressed me. I went to the window and started to pull the curtains closed. "Wait, please leave them open. The neon lights made me hotter."

She came over and I could feel the heat coming off her body. I removed her black bra and I couldn't resist touching her perfect breasts. She purred like a cat as I did. Both her hands went down to my cock already throbbing hard. I pushed her back towards the sofa and she sat down on the edge and cupped her boobs, and licking one nipple then the other. As I approached, she spread her legs and showed me her dewy pink and shaved pussy. She pulled apart her pussy lips and told me her clit was throbbing and I couldn't wait to taste her. I knelt on the floor between her legs and ran my tongue across her smooth mound. My tongue found it's target and I licked and sucked as she moaned and sipped champagne. Even though her moans and climax didn't seem authentic, I didn't really care.

"Cum on, birthday boy, it's time for your present." she said putting down her drink and getting off the sofa. "Your friends asked that I give you this," she said pulling a small vibe out of her tiny purse. She sat back down, grabbed my cock and pulled me over. She put it on the cockhead and it kinda stung at first, but then moved it down to my balls and it felt great. Then she took my cock in her mouth and moved the vibe deeper between my legs, touching my anus with it. I jumped a little forward, pushing my cock deeper into her mouth.

When she was done, I sat up and Nina straddled me. By now I was rock hard and she was dripping wet, and my cock slipped inside her with

relative ease. Her muscles twitched as they tightened around me. She put the vibe between us so it buzzed on her clit and at the base of my cock. Deftly she moved it around and began humping me harder. Then she gave it to me and told me to put it in her ass. I take the little buzzer and work it between her ass cheeks. She leans forward giving me better access.

I worked it into in her butt as her pussy worked on my cock. Little by little I felt the build. Then, without warning, vibe still in her butt, she's off me and drops down to her knees and with a couple well-timed jerks, takes my cum into her mouth as she cums at the same time. She swallows it all and slides up my body and whispers in my ear. "Happy Birthday, dearie."

— Bayou Birthday Boy

40+ Editor;

Ever since my husband of twenty years started losing his libido, I took it as a personal mission to help him, and in doing so, help other men. There's a lot of talk, and television commercials, about erectile dysfunction, so I'm writing to your magazine because you cater to the crowd I now blog about. I write about sexual dysfunction and problems common to men over fifty and sixty. You, know the typical stuff about not getting erections, no stamina... stuff like that.

But surprisingly, I get a lot of comments about penis size. It's from men about feeling inadequate in the size of their penises. Most keep forgetting, or don't realize, that the av-

Heather: True.

40+: *C'mon, you know I need a bit more than that.*

Heather: Okay, but you've just embarrassed me again (*winks*). I never really used them much, but then I had to on a couple videos I made, and they were actually fun.

40+: *I bet... was it with a guy or girl?*

Heather: It was with a couple girls, actually. There was a nice spread of toys and we each got to select the one we wanted to be fucked with.

40+: *Okay, which one did you pick?*

Heather: The pink one, of course (*giggles*). It was a

average male penis is about six inches. The men you see in adult movies and photos are a rare breed, and if you ask the women they have fucked, most will tell you they probably find it more uncomfortable than pleasurable. If it's too big, then fellatio can become problematic because the woman can't get her mouth around much more than the head, let alone down her throat.

Most of those men say they wished they were smaller so they could feel the sensations more of a mouth going further down on them. Many women say they can deal with vaginal intercourse with a wide cock, but it's the long ones that are most painful. The penis will hit the back of her vagina and rub (or pound) against the cervix wall. 'Ouch!' I say. Pleasurable anal sex is almost always out of the question for the normal woman. Porn stars get paid to take it in the butt and deal with the pain.

So if your woman says or hints that it's too small, experiment in different positions so her pussy will seem tighter. Use your fingers to start a penetration, then your penis will seem larger to her when it goes in. Put a finger in her, then insert your penis. The two elements

Dear 40+:

It was mid-afternoon in the middle of the week and my husband was at work, or so I thought. I was lost in the feelings my little rocket was giving me and listening to it's soft buzz as I felt my climax begin. Suddenly the bedroom door opens and it's my husband looking for me. He started to say that he forgot some papers at home but stops just inside the bedroom, eyes fixed on my naked bottom, and the flesh-colored toy in my pussy.

I try to cover up but it was too late. He comes over to the bed and asks me what's going on. I tell him I was just taking a little break from the day. He forced a smile and sat on the edge next to me. Then came the words I wasn't anticipating... "Don't I satisfy you? Am I doing something wrong? Is the sex not good? Can't I please you?" I felt like I shattered his ego.

Quickly, I extended my arm to his thigh reassuring him that he was great. He then asked how often I did this

and I confessed it was at least three or four times a week. We didn't make love that often, but that was because he was always tired from his work. He stands up and says he has to find his papers and get back to work. I stand up also and give him a hug and pinch his cock through his pants. I whisper that I'm not going to put panties on the rest of the day and he'll find me that way when he comes home.

— Eve, Eden

vibe rather than a dildo. I don't like those fake balls attached to those things. Plus, there are variable speed controls and my pussy likes that, 'cause when I'm on the verge, I'll crank up the power and really get off good.

40+: *What do you have at home?*

Heather: Let's see, three vibes, all pink but different sizes. Two soft dildos, a couple things that I've not figured out what they do, and a pussy pump.

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave., #156-168, Las Vegas, NV 89147. will fill her and then withdraw a finger and proceed. (You could substitute a small toy for your finger instead.) Enhance her pleasure by keep yourself groomed down there. The ladies do appreciate it. You'd be surprised how much longer they will stay there than in a bushy mess. Believe me, you can be a big time lover even with a small package if you know what it takes to deliver it.

the bare-acudas rule she's a man-eater!

Wendie was the oldest member of our swim team. At 44, she could swim as fast as the twenty year-olds. Our club was called the Bare-Acudas and we competed all around the deep South, Georgia and Florida, mostly. Since we are pretty good, we have a great group of sponsors that pay for all our trips and travel. We only pay for our meals, and that's okay because a lot of the members have crazy eating requirements. Wendie's a statuesque five-eight with short copped hair and a swimmer's body. Tight and tan for her age. A little small on top, but all that adds up to one svelte 'cuda in the water. Over the years, she has won the second most number of medals, after Calvin. Wendie would turn heads at every meet and everyone would talk about her. There wasn't a single male or female swimmer that didn't envy or respect her, but deep down Wendie was a fun and humble person. She had worked really hard over the ten years she's been competitive swimming, and deserved every accolade.

The Bare-Acudas consisted of eight men and eight women swimmers and five divers, three women and two men. I'm the coach – and towel boy. A new male swimmer will be joining the team in Atlanta. Derek was around thirty and used to work at the the resorts in Orlando. Derek was in good shape by working out at the gym, and all the swimming. He had a good tan and would always have his iPad with him. His head was shaved completely bald and his

teeth glowed white against his tan. Jokingly, Wendie told me she thought he was too old for her. Besides she didn't like bald men. She had always been attracted to thin men with long hair who looked like they just stepped off stage from a rock stage.

After a couple weeks practicing together, we all began working again as a team, Wendie helped him focus on his technique and with a few weeks his stroke had improved immensely. They became fast friends. And as so often happens on the swim club, becoming friends lead to so much more. It started one day when Derek came to practice. He had obviously come straight from the gym because he was wearing a workout top and shorts. Wendie noticed him as he walked past on his way to the locker room. Although Wendie saw him almost naked many times already, she still wondered what he was like totally undressed. She quickly put those thoughts aside and tried to act professional, not letting Derek know that she had been staring at him wondering what it might feel like to have him wrapped around her.

The weeks passed by and the frequency of meets had Wendie and Derek together continually. But he, like every other member of the team, just couldn't resist Wendie. He figured that their friendship and professional relationship might ascend to the next level with a little prodding. Derek invited

the team over to his house for a summer-ending pool party. He knew this was his opportunity to finally get Wendie and him together without trying to go out on a date. The party started off well. He made sure the bar was well-stocked and free drinks were served all night.

But by midnight, it was only two others and Wendie remaining. Derek invited everyone inside but the two said they should be going. So that left just the two of them in the living room watching a movie. Wendie complained that she was a little chilly. Derek invited Wendie to join him in the seat under the blanket he had over his lap. She figured it couldn't really hurt to sit there with him for awhile. She climbed up next to him and they both went back to watching the movie. Under the blanket Derek slowly slid his hand down Wendie's taut belly and worked his way toward her bikini bottoms. Wendie spread her legs slightly for him before he even got past her belly-button.

He slid his hand under her bikini bottoms and brushed his fingertips along her clean-shaven mound. He lightly flicked her clit a couple of times but couldn't resist the temptation to place a finger inside the hole that was radiating so much heat toward his hand. He pushed his middle finger inside her in one swift motion, and she was so wet there was almost no resistance. Wendie began rotating her pelvis around to match Derek's probing strokes with his finger. Within minutes he had Wendie on the verge of orgasm. Wendie began to remove her bikini and once her bikini was off she embraced Derek and pulled him onto her. Soon she had them both naked and in a firm embrace their lips trying to quench the fires that had been stoking for months.

Derek slowly kissed his way around Wendie's neck and ears. Then he worked his way down to her chest, spending several minutes on Wendie's firm nipples. He began

moving down her tummy and softly kissed around her belly-button. He softly thrust his tongue inside her pussy, which brought immediate moans of approval from Wendie. She reached down to Derek's clean-shaven head and pulled it in tighter, grinding herself to the rhythms of Derek's tongue. He then slipped a finger inside her, and curled the tip of his finger and put immediate pressure on Wendie's g-spot, and Wendie came instantly and violently. She locked her legs around Derek's head and thrust her pussy against Derek's tongue. She finally relaxed after one of the most intense orgasms she had ever had.

Derek was a little surprised that Wendie had come so quickly as Wendie was panting and out of breath. Derek worked his way back up so that their eyes were at the same level. He used his thighs to push Wendie's legs slightly farther apart and placed his now throbbing member against Wendie's soaking wet slit. Wendie tensed slightly with anticipation. She actually found herself a little concerned and

wondered what Derek would feel like. As Derek pushed his cock into her, he was very gentle. Wendie was so wet from her orgasm just a few moments earlier that Derek was actually able to push in all the way with one stroke. Derek could feel how tight Wendie was. It felt like having his cock caressed

by a velvet vice. He took it slow at first so she could get used to the thickness. Derek hadn't been with a woman this old before but he was pleased to find she still had a firm stomach and tight pussy. All the women of his age he'd been dating recently rarely had these attributes.

Derek began to quicken his pace a little and suddenly he felt Wendie tense up under him, and was worried he was hurting her as he worked faster. He pulled back a little bit to give her some relief. At this moment Wendie reached down with her right hand and began furiously rubbing her clit and wrapped both legs around Derek thrusting him all the way back inside her. She was rocked by a second orgasm in minutes. She rubbed her clit firmly on his pubic bone as wave after wave of pleasure sent pleasure pulses through her body. Derek's thickness intensified her orgasm and her pussy gripped him amazingly tight. Wendie just had two intense orgasms, unlike all the others in her life, within minutes of each other. Wendie began to wonder what she may have been missing during the last few years of her life.

She gently pushed him over to the side, and to his delight, Wendie immediately straddled him and impaled herself on his rigid cock. She slid all the way down his shaft, and then began rotating her hips so that her clit was grinding at the base of Derek's

pubic bone. After only a few minutes, her body shuddered with a third orgasm. Wendie was in heaven. She had never come three times before. By now Derek was absolutely rock hard.

The sight of seeing this firm and fit fifty year old grinding herself to orgasm on his pole had him in a frenzy. He lifted her off of him and rolled her onto her back. He placed his stiff cock back against her slit and softly pushed back inside her. He began slowly at first but worked his way to full length thrusts after only a few strokes. He had Wendie lifting her legs off the bed with each successive thrust of his swollen shaft. Just then Wendie had her fourth orgasm and reached back down and began furiously rubbing her clit as she almost doubled over into the fetal position due to the intensity with which she was cumming.

This only turned him on all the more. He increased his pace as Wendie relaxed and attempted to wind down from her orgasm, but he wouldn't allow it. He kept quickening his pace by sliding his cock in deeper and harder with each thrust. Wendie could feel another orgasm building inside her, and couldn't believe that this man was capable of doing this to her, or that her body had this potential all along. As Wendie burst into her final orgasm she could feel Derek's cock swelling even larger inside her. After the last few electric pulses zipped through her body she knew Derek was about to release his load.

With one last deep thrust he slipped his cock out of Wendie's soaked pussy. Wendie reached up with her left hand and began stroking Derek's throbbing cock to bring him to orgasm. Not holding back any more, he shoots load after load of hot steaming cum all over her stomach and chest. It seemed to go on, she thought. Then he got up and got a towel to wipe their bodies down. In unison, they looked into each other's eyes and said, "Are you ready for a dip?" Both nodding, they jumped out of the chair and headed for the pool.

He placed his stiff cock back against her slit and softly pushed back inside her. He began slowly at first but worked his way to full length thrusts after only a few strokes. He had Wendie lifting her legs off the bed with each successive thrust of his swollen shaft.

LEA & SASCHA

I called Sascha, the jeweler. Not only could he design beautiful jewelry, but he was really creative in bed too. He mostly makes jewelry that caters to the local beach bums. From time to time he'd show up with a little surprise for me. I especially loved his one-of-a-kind surprises that made me feel extra special.
